TIME & DOMES

It's true. Jim and Tammy Bakker lived in the lap of luxury during their seven year reign of riches, but sources reveal that their "life in the fast lane" was "speeded up" by the same kind of pills & spills that ours

It's true. "Jim and Tammy would X all day long and shoot up every night before their worldwide ministry the PTL club, hit the air," said a close friend of the Bakkers. "You couldn't get near her (Tammy) until the ecstasy

hit her," the friend continued, "But after that, she was real sweet...Promising to help poor people and all sorts of nice things." "Jim, on the other hand, was a sex-crazed, wild-eyed monster, on and off drugs," said another source, a PTL spokesman who wouldn't reveal his name. "When that dressing room door was locked, you can just imagine what went on," added the spokesman, "They were saving SEX, no not Tammy and Jim, he wouldn't touch her. It was probably some 14 year old boy that Jim injected with what he called "Love Juice"

It was a sick, morbid existence for him and Tammy. Once they were both so high, he told over one million viewers that if they didn't send him \$2.00 each. (that's over 2 million dollars!!), God was going to kill him.

Jim now faces many years in prison, and Tammy is free to continue her life of drug addiction and free love.

Does Tammy Faye shoot up? Said a source: "I doubt that she'd ever admit it. but many a time, I'd over hear strange arguments about sharing needles...and I know Tammy doesn't sew. That's a fact".

An important message to the readers:
Drugs are harmful and illegal. They
induce the user to question reality
and authority and should never be
used under any circumstances!

CLUB STARLET: SOUGHT IN ATTEMPTED MURIDER Famed Blonde Bombshell

Famed Blonde Bombshell Julie Jewels allegedly tried to kill super party-giver Michael Alig. NYC - Julie Jewels, famed girl of the minute and door person extraordinaire is being sought in the attempted murder of ex-close companion promoter Michael Alig shortly after 4 a.m., Sat Dec 2, 1989. The gorgeous gun-moll was upset over an invitation with Mr. Alig's name on top of hers. "Naturally Michael's name should come first," says the German owner of a 5-floor club on West 13th St, and publisher of NYC trendiest magazine who shall remain nameless. "After all, he did make her what she is today! She'd be back in the slaughter house where he found her, if it wasn't for his big heart . and generous, giving personality."

Ms. Jewels, (her real name is Marge Fowlberger) was #17 in an assembly line at Scarsdale Meatpacking plant in upstate NY, when a young Mr. Alig spotted the then dark haired beauty Fowlberger. "I saw something in her eyes," recalls Alig, "I knew there was more to this common frump then removing organs from cows. I gave her a job stuffing envelopes, and before you knew it she was waiting tables! Then one afternoon, while we were out exercising, a took her to a beautician friend if mine, and only in nine hours Ms. Fowlberger was transformed into the oh-so-lovely J. Jewels! Well, there was no stopping her then. All that anger and frustration of her youth just couldn't be held back!"

Jewels story is not the only fairy tale in clubland. Merle Grady, an ex K-Mart sales clerk, now known as Larry Tee, has a similar story to tell. He and the cashier #5 Lahoma VanZandt, (later known as Lahoma VanZandt), had big ideas and dreams when they packed up their bags and moved from their mobile home in Phillips, Alabama...

Young upstart Michael Alig claims he's perfectly innocent....

"Merle, I mean Larry, told me that
I can bring only one suitcase with
me so I had to wear four outfits at
once!" remembers Ms. VanZandt.
"We didn't have no money, so we
had to eat scraps of food at all the
bus stations. Then we hit NYC. Manoh-man, all them tall buildings!"
Larry Tee remembers, "We was poor
folk. We was workin' over at the
Safeways when Mr. Alig plucked us from
failure, to fame of Celebrity Club a.
Tunnel. Why we was making some money!"

Jewels' and Tee's stories are not unlike many other success stories.

"Jewels,however, is a perfect example of success-gone-wrong!", says Dr Park Dietz, a noted psychiatrist and club specialist.

"Julie is suffering from FABULOSA-NERVOSA, a common ailment attaching bleach-blonde

'I don't need any woman who doesn't do as she's told.'

ex-meatpackers. There is no cure." Another noted club specialist, Dr. Milton West claims, "Julie is totally gone...Beyond help!'

MEDICAL EXPERT Dr. Park Dietz

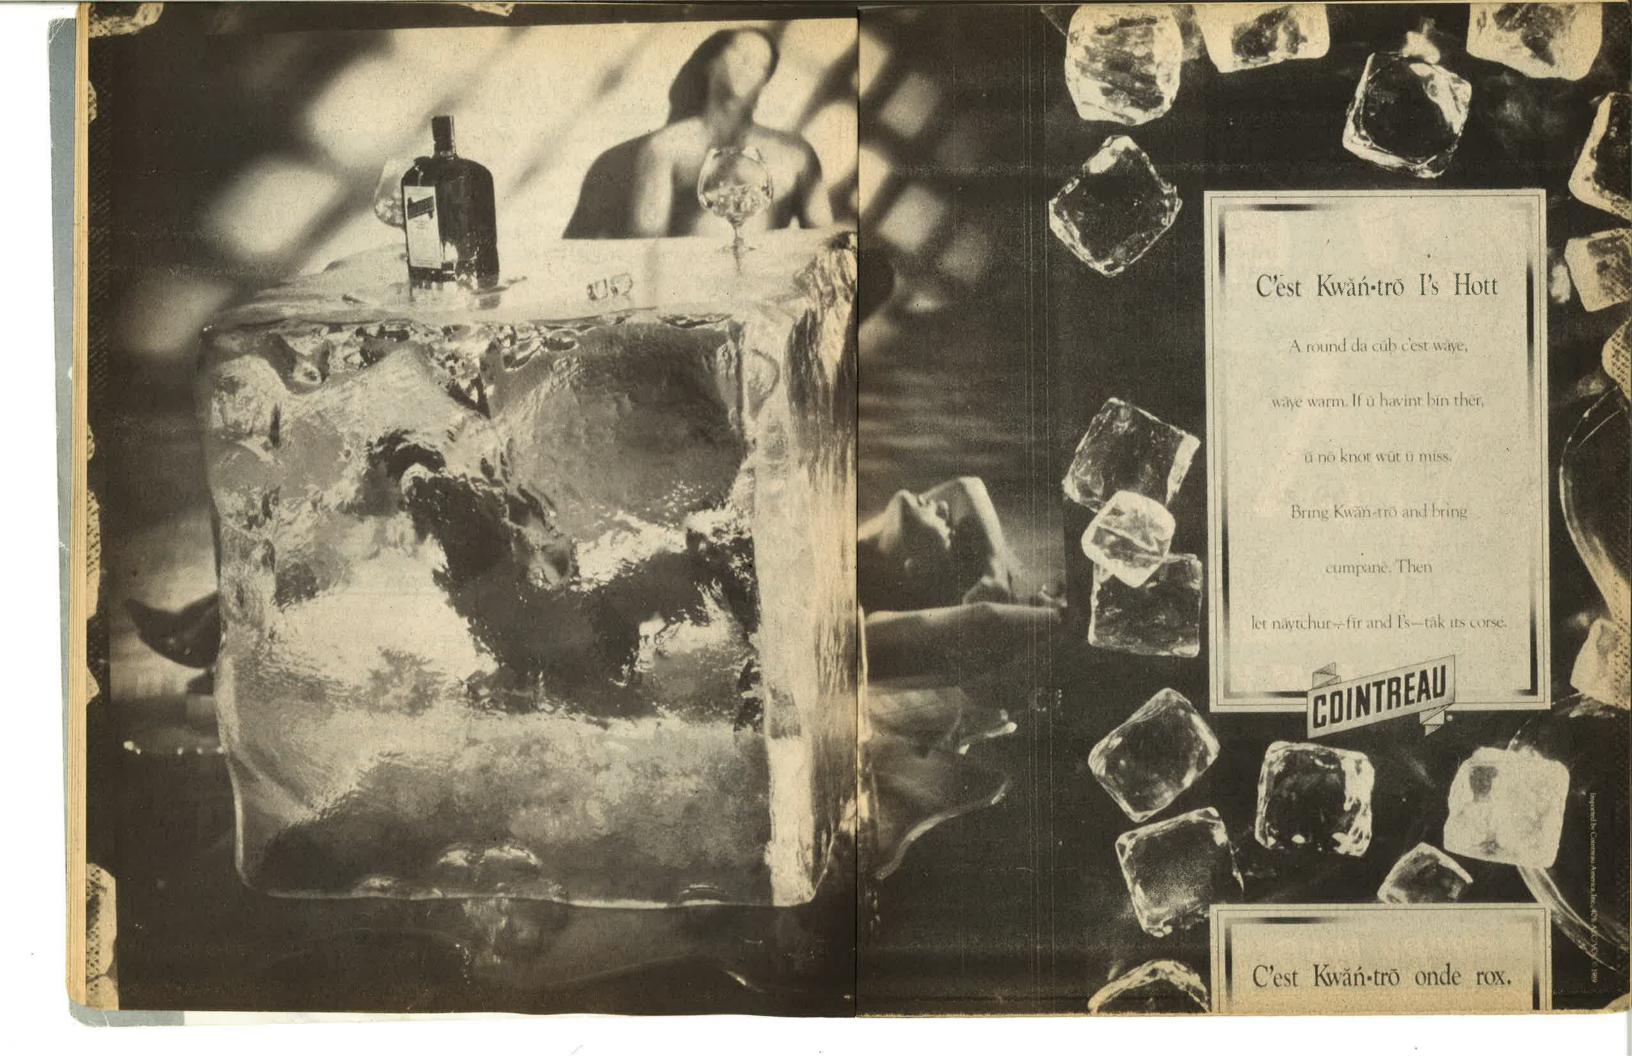

Maurice Brahms, owner of uptown club Red Zone has this to say: "Julie is a lot like Dolly Parton...they both make a lot of money, but Dolly shows up for work on time..."

More on this important topic later.

Dining... Ruben Sandwitch

Arandpa's Bella Stente

If you think that Arandpa Munster is a tired old vampire, you re quite wrong. He's made more comebacks than The World has. He's best in the rest, that he owns in the West Village. Don't get alarmed if you walk in and find him screaming obsceneties at his employees, (who all look like they need green cards)...he's got a very short temper. But he's just so sweet when he approaches you at your table, don't let him get too close, he smells of cigars. This host prides himself on his food and always runs around the restaurant screaming "Bum appetite...enjoy your meal!". The place is always crowded, and for good reasons. The food is great, the prices are reasonable. I wouldn't recomend the linguine...it's gross. But I highly recomend the tortellini, fabulous dish. You'll feel right at home in this large, well-lid, noisy dining room. \$\times\$\$\footnotemath{\tau}\$\$\tau\$

Cucina Italiana

Folks, you can't get more Italian than this, or can you? I was pleased to walk into this fine restaurant .. serene, friendly, so pleasing to the senses. What a joke!! Not only was my plate dirty, and my salad was a week old, but the waiters were the most arrogant things I we ever seen! I read them to filth!! My meal was all screwed up, and the music was way too loud. I waited an eternity for my main course to arrive, and it was all of three mouth fulls. The portions are extremely small, so unlike an Italian reataurant. The food was way too spicy... they don't use enough garlic, but drown the food in pepper By the time the bus boy brought my water, I was almost passing out. To top it all off. the prices on the menu are rediculous! So, stay away from this joint - 3

Diva Restaurant

Feelin fierce cause you re all decked out in your Stauttier? Wee, if you can afford Saultier, then you can afford the food at Diva Restautant, Diva is located in a snobby area so dress snobby. The atmosphere is strickly uplown and the table conversation of very stock-markety. But the food is scrumptious! It has been quite a while since I ve congratulated a chef on a meal. By the way, you might run into Luciano Pavorotti, (if you don't know who that is, find out before you go...he is a regular custumer at this place !. Whatever you have, don't leave the place with out trying the chocolate mocha pie...

IS SHE A GOOD WITCH OR IS SHE A BAD WITCH?

JOHNNY DYNELL TALKS TO JR. VASQUEZ

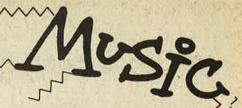

BEING JR. VASQUEZ - NOT THE NAME HIS MOTHER GAVE HIM AND NO RELATION TO RICHARD - IS A DIFFICULT JOB. JUST ASK HIM, OR ASK ANYONE WHO HAS BEEN SUDDENLY TOSSED OUT OF HIS D. J. BOOTH. "I'M IN A BAD MOOD, I CAN'T TALK TO ANY ONE RIGHT NOW". JR. IS THE REIGNING QUEEN OF SOUND FACTORY, ARGUABLY BUT PROBABLY THE HOTTEST CLUB IN NEW YORK AT THE MOMENT. (REIGNING, OF COURSE CAN BE REPLACED BY A THOUSAND DIFFERENT ADJECTIVES DEPENDING ON WHO YOU ARE TALKING TO).

LIKE EVE BLACK AND EVE WHITE, JR. HAS MANY SIDES. THERE IS THE DOMINATRIX D.J. DIVA. "I WANT EVERYONE TO KNOW THAT SOUND FACTORY IS ME AND I'M IN CHARGE". THE BITCH MAESTRO WHO AT ANY MOMENT MIGHT PICK UP THE MICROPHONE AND DECAPITATE SOMEONE ON THE DANCEFLOOR. "I JUST SINGLED OUT SOME FISHNET BITCH AND READ HER TO WHALE SHIT FOR TRYING TO GIVE ME FEVER." RUMORS ABOUND OF HIS FITS. "HOW DARE THEY BRING THAT RECORD TO YOU BEFORE ME. GET IT OUT OF HERE! I'LL NEVER PLAY THAT RECORD, I DON'T CARE HOW GOOD IT IS. I WANT IT OUT OF MY BOOTH, OUT OF MY CLUB!"

WHEN DISCO HISTORY IS WRITTEN, JR. WILL NOT BE THE ONLY CUNT CHAPTER IN THE BOOK BY ANY MEANS. HE IS BUT ONE IN A LONG ROYAL LINEAGE OF RULING D.J. QUEENS. TO UNDERSTAND JR. AND THE SOUND FACTORY FOR THAT MATTER, YOU MUST UNDERSTAND THE TRADITION OF GAY DISCO AND THE ROLE OF THE D.J. HE/SHE IS EVERYTHING: A NAME, (SYNONOMOUS WITH THAT OF THE CLUB) A SOUND. (LARGER THAN THE CLUB) AND A STYLE, (USUALLY DISCOVERED BY THE ENGLISH TEN YEARS LATER, DIGESTED AND SOLD BACK TO THE D.J. AS AN IMPORT FOR \$7.99).

THERE WAS THE LOFT AND DAVID MANCUSO, BETTER DAYS AND BRUCE FOREST, AND OF COURSE MENTOR TO US ALL, LARRY LEVAN AND THE PARADISE GARAGE. "I ONLY LOOK UP TO ONE PERSON, LARRY. I LEARNED EVERYTHING FROM HIM. HOW TO WORK A CROWD, HOW TO GIVE AN EFFECT".

THE COMPARISONS TO THE GARAGE AND LARRY ARE OBVIOUS AND INEVITABLE. "WHEN THE GARAGE CLOSED THERE WAS A VOID, A CROWD WITH NOWHERE TO GO". THIS WAS NOT ENTIRELY TRUE. THERE WAS TRAX WITH NEWLY RULING GARAGE VETRAN DAVID De PINO, THE PARADISE BALLROOM WITH HOUSE LEGEND FRANKIE KNUCKLES AND THE CHOICE WITH JOEY LLANOS AND BASIL THOMAS, BOTH FORMER GARAGE EMPLOYEES. EVERYONE WAS SCROUNGING FOR THE MIGHTY AFTER HOURS DANCE CROWD AND SOUND FACTORY WAS WINNING. "ALOT OF PEOPLE DIDN'T WANT ME TO HAVE IT. THEY THOUGHT I DIDN'T PAY ENOUGH GARAGE DUES BUT I

LIVED IN THAT FUCKIN' PLACE FOR TEN YEARS JUST LIKE EVERYONE ELSE. IT'S HARD FOR ME, A WHITE KID FROM NOWHERE. SOMETIMES I FEEL THEY'RE TRYING TO UNDERMINE ME BECAUSE I'M NOT LARRY AND THIS IS NOT THE GARAGE. IT WILL TAKE TIME BUT PEOPLE WILL ACCEPT SOUND FACTORY AND ME FOR WHAT IT IS AND FOR WHO I AM".

SO WHO IS HE ANYWAY? ELLIS "D"? (EVE WHITE?) ELLIS "D" IS JR.'S RECORDING PERSONA, AN ACID HOUSE LOVE CHILD WHO THANKS MOM, DAD, GOD AND PRAYS FOR WORLD PEACE ON THE BACK OF HIS LP. 'FREE YOUR MIND'. LIKE JR. VASQUEZ, ELLIS "D"'S FAME IS GROWING. HIS SONGS 'JUST LIKE A QUEEN', 'GOTSTOBEADRAG'. 'I WILL SURVIVE' AND THE NOW CLASSIC 'TOOK MY LOVE AWAY' ARE PART OF EVERY WORKING D.J.'S CRATE OF RECORDS.

JR. VASQUEZ, THE STUFF LEGENDS ARE MADE OF? MAYBE, BUT ALWAYS A SCANDAL. HE'S DEFIANTLY GAY AND DETERMINED TO SUCCEED ON HIS OWN TERMS. HE MAKES ENEMIES FASTER THAN FRIENDS. (HE DESCRIBES A ROOM WITH ONE OR MORE WOMEN AS AN AQUARIUM). IT'S THIS UNYIELDING SENSE OF HUMOR THOUGH THAT HAS SAVED HIM SO FAR, SAVED HIM FROM HIMSELF AS WELL AS THE WORLD. HE SAYS, "IF ALL OF THIS ENDS NEXT WEEK THAT'S OK TOO". LET ME SAY, HOWEVER, I KNOW JR. VASQUEZ, HE'S NO JACK KENNEDY AND DON'T BELIEVE THAT FOR A MINUTE.

BERLIN. DEUTSCHE DECADANCE

by Michael Alig

It's 7:30 a.m., Friday morning...Pool, a medium sized club in Berlin, is packed with 19 year old transvestites and 42 year old social workers!? Anything goes in this ultra wacky, super trendy, cosmopolitan city where noboly goes out until 2:00 a.m. and the bars stay open 'till everyone leaves the club. Even though Berlin is big city, most of the nightlife is located in one are and the clubs are a walking distance from each other or just a cheap cab ride. One street, for instance, housed 5 clubs, 4 cafes, and 3 public toilets...all in 2 blocks!

Berlin is also not without it's very own club celebrities. Romy Haag, for instance is one serious drag queen. Just like the ones in NY, she is all over town, all the time. German drag queens are very much like the NY drag queens: They are all messes, they stay up way past dawn, and they wear the latest fashions. But, there is one difference, these girls are SERIOUS! They come from the old school where they are REAL WOMEN. Its sort of hard to explain. It's like comparing

Romy Hagg

Sister Dimension and International Crysis. I guess you would have to call them female impersonators. The only one who was remotely nutty was Joanna

Dee, who resembles our Lorette Hog. (Notice... pig snout). Probably the strangest thing was that talk of AIDS was almost non-existent! When asked, a shrug of the shoulders and a raise of a cocktail glass was not an uncommon response. Especially from East Berliners, some of whom have never heard of the disease. (A small but an effective ad campaign is is was in its early stages is mid-November)

Fresh ideas seem to be lacking in the fashion department, however, OFFLINE, a Berlin-based design company, seemed to be the favorite of scenesters all over Germany. Lydia Cancova, who designs for OFFLINE, gets inspiration from drag queens and calls it "live Drag Store".

PRESS RESEARCH

By Rudolf

Every major publication undertakes now and then an analysis of the American press. The Voice even has a weekly column dedicated to this matter. So, Project X couldn't and shouldn't be left behind and we made our own inquiries about what's happening in our rags and mags. Among the latter, there is only one obvious conclusion: the best publications in the whole world are Project X, Hate and Pravda Magazine, in that order. Everybody knew that. But the big surprise came when we established which newspaper was top. No, it was not the Christian Science Monitor or USA Noday not even the Weekly World News... it was the St. Louis Whirl Examiner, an incredibly crude (spontaneous) and raggedy (populist) piece of paper from Missouri. So, Congratulations to these guys, and here is a sample of some of their very best stuff:

10TAVERNAPE AND SODOMIZE SOCIALLY WOMAN

WANTED

debt dodger Paul Sykes, a shyster businessman, to make good a \$500 loan. If he doesn't surrender a reward will be offered for his capture. Police have the report of the fake businessman. He must be captured. If you know his whereabouts call 383-3875. Stealing by deceit is a crime tool Stop running and dodging, time is running out.

New York Is Worse Than St. Louis Will Ever Be

Every Person Accused Of Wrong Is NOT GUILTY

Let us remember that, and don't point an accusing finger until it is finalized and you know the truth. Many a man has been sent to prison and years later found NOT GUILTY. • How miserable.

The Rich Protect Their Health Best

"Goodbye Eppy Your Friends Are Glad You're Gone"

A thief is a terrible thing to have around. If you know one is a thief, stay as far away from him as you can. If they will steal from others then they will steal from you. Don't you ever doubt it. It is so true. A thief will steal from anybody, and DON'T.you FORGET IT. A thief is your worst enemy. There are so many reasons.

Is this proof? Think about it. A thief is a potential killer. He is no man's friend. He will strike whenever it is possible. He loves no one. He is a double danger in the dark. Beware of those creatures. THEY WILL KILL. A thief is likened unto a dog. He will bite you. He hunts the opportunity.

A blazing thief is truly the former recreation director of the Missouri Eastern Correctional Center in Pacific MO. He was sentenced to five years in prison for selling prison athletic equipment.

Danny On The Hunt For Male Lovers Tricked By Police

Most "men" go out and around hunting women, but when Danny Allen, 35, of 29 Delores, goes out and around in "Dutchtown" he is hunting men with a passion. If they will allow Danny to wink at them and await their answer with a smile, he will approach them showing his teeth.

He has done it once; he has done it twice and he'll throw rice at 'em indicating that he'd be their wife. He was fooled; he twisted his way up to and in the face of "Mark Murphy". Of course, he didn't know "Mark", but he figured to have a good evening with the stranger, and offered to take him to his manger.

When "Mark" asked him what, was his racket. He pointed to his mouth and said, "I will sack it." That was enough and "Mark" got rough. But this wasn't even Mark. It was another officer.

Danny asked, "Have you any money? Talk to me and don't act funny. I will be your loving bunny."

"Mark" said, "Women, hold out your wrist and I'm going to give you all of this." Surprisingly Danny looked at two handcuffs and now the situation really looked tough.

When A Mother Is Not A Mother And Her Boyfriend Is Worse

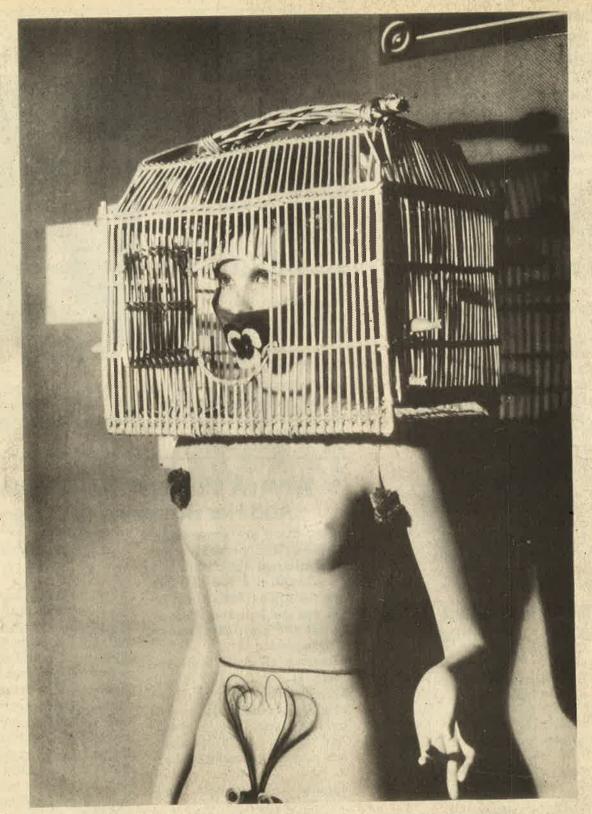

Yes, there are some unfit mothers, and perhaps some who mistreat their children on account of a NO-GOOD boyfriend who finds them in his way and he wants them to go out and play. You know why!

Beating children unnecessarily is a crime and it will hurt the perpetrator at a furture time. Linda Butler we are talking to you. Can you read? And that is a good question. Ask someone to read this story to you. You have sinned against the strength and priority of youth.

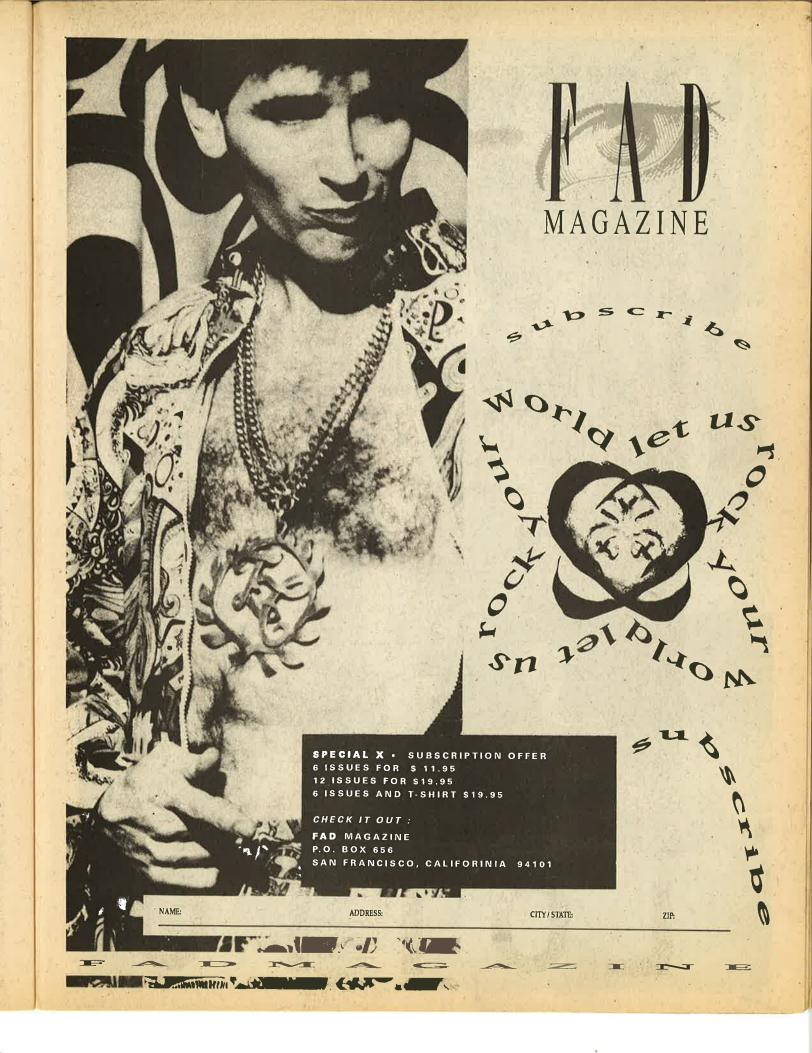

A black mother who lives in south St. Louis was charged with beating her three children with belts and extension cords and taping their mouths shut so that neighbors could not hear them scream, police learned.

Frank Hanner says, "I like a man's banana no matter whether he is from St. Louis or Atlanta. He could be fat or he could be thin, I could love him till I don't know when. I could love a man with all my heart, and hope that he and I would never part. Just hug me and love me every night, and I'd never want him out of my sight. Hanner was swept to jail to relax his hot tail. He'd been hustling and a bustling, but then his hour had arrived. He landed in jail. He lives at 3118 Dessna.

Dear Auntie Ada,

When I go to nightclubs
I meet so many boys and all of
them are so cute! I really want
to find a boyfriend, what's a
girl to do?

-Boycrazy

Dear Boycrazy,

Sometimes you gotta watch out for those pretty face boys. They are so cute that all the girls go wild. They may be dating you and ten others! You don't need this... Go for the smart boys. Hang around engineering colleges and business schools and catch the man of your dreams. Good luck.

Dear Auntie Ada,

The smoke in all the clubs makes my skin break out. I can't avoid it! I tried everything, HELP!

Dear Pitface,

You're not the first one with that problem! I've got the thing just for you. MARY SUE COSMETICS PLUS PANCAKE MAKE-UP: smear it all over your face for that smooth made-up look. Use powder, you don't want to look smooth and shiny. Another tip...Use a color one shade DARKER than your skin. That way everyone thinks that you just got back from a fabulous vocation in the Carribean.

Dear Auntie Ada.

I was at Big Haus last Tuesday. It was the night you premiered your House of Love party. Then I went again next Tuesday and the lines were so long to get in. I had such a good time the first time and I really wanted to talk to you because I had kind of a personal problem that I wanted to discuss with you. So, how do I avoid those long lines?

Dear Impatient

My dear child, come see me every Tuesday night, with any problem that you might have, and I'll be more than happy to help you and give you my spiritual blessing, to avoid the lines, slip me a ten.

Dear Auntie Ada,

There are these two guys that I like. Both of them are really cute and I have a great time with both of them. But the situation is getting very tense and I don't want to have to choose. What should I do?

Honey

I totally relate to your problem, in my time I had to fight off the boys left and right!! Here's what you do...tell each one that you have this very sweet aunt that you have to visit every other day. This way you can alternate between both boys. They'll never know the difference, and you'll get to have the cake and eat it too.

Confused? Bewildered? Perplexed?...Consult AUNTIE ADA the grandma you've always wanted, but never had! Write To: AUNTIE ADA/c/o PROJECT X

CHIP DUCKETT'S

In the last issue of **PROJECT X**, I bemoaned the number of boys sitting at home with Roseanne instead of dancing the night away. I'm pleased to report that everyone seems to have taken that constructive critique to heart---as suddenly the cute, single boys are returning to their favorite dance halls!

This issue's standard **DEAN JOHNSON** mention: it seems that Dean and his Rock and Roll Fag Bar have parted ways with the World. Without warning one week, Tuesday became "Boys in Ecstasy," hosted, as you might expect from the title, by those nutty **IT TWINS**. Led Zeppelin was replaced with **MADONNA**, the go-go boys moved to the bar, and Dean apparently went to Maine. It'll be interesting to see what happens with it.

FAGS & DYKES

The REAL nightlife these days is taking place about 5:30 a.m. every Sunday. Most every week, it seems, someone in the wee hours of Mars' closing decides to have a little impromptu party. The best was when one lesbian duo---we'll call them LIZ X and SYDNEY X, to disguise them---had twenty boys and girls over for drinks. I suddenly realized that, except for one sleeping dyke, all the girls in the party had disappeared. Cheekily roaming through the house in search of them, I opened the bedroom door. I won't say any more about it, except that NOW I know what lesbians do in bed--especially in groups of six or more. Not to be outdone by dykes, one hot boy---we'll call him DAVID X--decided his birthday celebration at Mars should go on into the morning, so he rounded up twenty or so guys to make the party happen. I'm sorry to report that it didn't quite end up like Liz X and Sydney X's party (really sorry, considering who some of the people there were), though at times it came delightfully close, and people did keep disappearing upstairs. I laud these brave pioneers, and recommend that you have your own party this Sunday---and be sure you invite me!

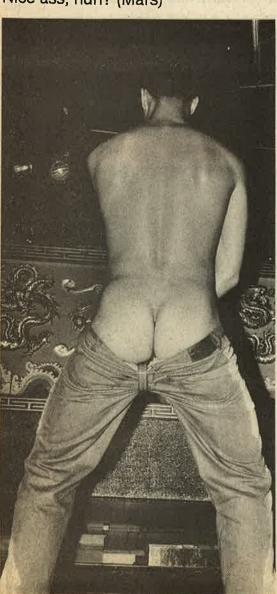

Garance Franke-Ruta shows her stuff---how rare.

CHIP DUCKETT'S

Meanwhile, over on Sixth Street, the Saint has resurrected itself for parties on alternate Saturdays. It's packed, and although I personally dislike the music---and the dome is gone---any place I can find a couple of thousand sweating men is okay by me. And don't worry---the balcony is still there. Judge not, lest ye be judged.

Nice ass, huh? (Mars)

Homophobe of the month award to the New York Press (you know, that paper people use to pick dogshit up with). For several weeks running, "writer" PHYLLIS ORRICK repeatedly, and senselessly, trashed Outweek magazine for things like writing news stories with a gay slant (Imagine! A gay magazine writing with a gay slant!) Then, a few weeks later, they ran a lengthy obituary on Cookie Mueller, which discussed every pertinent fact about the JOHN WATERS film star/Details art critic---except forgot that she died of AIDS. Perhaps you'll also recall their cover story by some straight asshole who realized---in 1989---that he couldn't get AIDS from eating spaghetti sauce.

Not to be outdone by the throwaway rag, WABC-TV newsbitch TAPPY PHILLIPS did a neat piece on the homeless, explaining that people live on the streets because they're afraid of gay men in the shelters (they should try that Broklyn shelter that refuses to admit "effeminate" homeless men). When I called WABC to complain, I was told by the snippy receptionist that, "This is the news department. We really don't have time for this."

Hot news on the naughty-naughty after-hours scene: that bastion of boys-only late-night fun, J's, has in the past refused entry to chick LIZ TRACEY and chick-with-dick SISTER CODIE RAVIOLI. Suddenly (sort of an advance view of the Berlin Wall) the restrictions came tumbling down---and in swished PRINCESS DIANDRA (in full DIANA ROSS drag) and glamour bartendress ROBI. I suppose Liz, being infinitely butcher, felt like she wouldn't blend with the drags.

FAGS & DYKES

And a few blind items, to whet your curiosity... which high-profile go-go boy lurched up to me at a recent party and confided that he was crashing on drugs? He explained that he was on Ecstasy, cocaine, Percodan, Special K, pot and booze. (We can only assume he was all out of morphine)... what very active ACT UP boy was heard one Friday at the bar begging his friends to sleep with a particularly unattractive guy as a favor to him? Seems he wanted the guy's boyfriend, and had to unload the bowwow first. (Question #2: which friend actually did it?) ... and back on the go-go boy circuit, another high-profile dancer has lately been making the rounds—at Rounds.

Finally, hold on for New Year's Eve this year... and make it CUANDO (Second Avenue and Houston), where I'm promising a few thousand fags and dykes, the cheapest New Year's cover ever (\$10 advance, \$15 at the door), and some locker room stuff that will make Halloween's basement look like nothing. And boy, will you have fun.

BOSTON NIGHTLIFE: The Truth Behind The Fiction

的时候来找你们的正在的爱·林克子类集合的多大。""米"大型也可以是数字的自己的数字的

Boston is what one would call quaint— It's a college town full of kids that are just so sweet looking with rosie cheeks. Girls don't wear make—up and the guys are all in jeans and sport coats..that all American look. The clubs close at 2:00 a.m. and the most popular store is Laura Ashley.

But don't you be fooled by this clean cut image. Between the hours of 10:00 and 2:00, this little town is just a chock full of energy.

Recently, The Hub Club, a favorite on the local scene, invited Project X to experience Boston nightlife firsthand. And may we say we were impressed!! The night scene is full of young trendies bursting with color and all in the latest in ferocious fashion!

BOSTON NIGHTLIFE: Alive and kicking with young trendies!!

The club itself is a three story exercise in funk. Freeze, who is an ex-NY trendy is the hottest promoter there. That particular Saturday, the Bostonian brats were treated to a performance by Miss Olympia, but its every Saturday that they're set into motion by the stimulating sounds of DJ Sister Dimension. Another fab factor of the club is a swing which is suspended over the dance floor, a definite visual experience.

So you see, out of town clubs do gage their success on how much of the New York element they can obtain. But, surprisingly, The Hub Club, is an original little place.....**

Hip nightspots come and go in NYC, so it comes as no surprise that Eric Goode's baby should follow the suit. On Friday, Jan. 5th, at approximately 3:45 a.m., M.K., the posh, exclusive club, most known for it's strict rope policy, will close its doors.

This fabulous five floor focus of foregathering, fascinated the fanatical fashion victims of this fun city for over fourteen months. Now, however, things have changed. Crowds, once numbering in the thousands, now add up to a mere few dozens.

Reports of these diminishing numbers are the reason for the closing of the club. This fact is being denied of course by club brass, noting that the club closes at the same time every night, but re-opens the next day. Apparently, that will be the case this time.

So, here it is...this is not some vicious rumor, nor is it the topic of some trashy cocktail conversation. This is a true report. M.K. will close on the aforementioned date, and re-open the next day at the usual 10:00 p.m.

MONGERS ABOUT TOWN

ULTIMATE

Attention readers, Fisher price has developed the ultimate toy for X-mas: an in-home recording studio! It seemes they've sold the first one to our own Mykul Tronn. "It changes your voice so that is sounds... good!" sez Mykul. He will design his own cover, "of course". Mr. Tronn, who is noted for his contributions to nightlife believes that the next step in life is to become a teenage music heart-throb.

LEMON

On a more serious note: We've just recieved a report that the new sensation of the nation Neneh Cherry has cancelled most of her upcoming performances . . . She's fallen seriouslt ill from Lyme disease Cherry is a lemon due to Lyme. We extend our sympathies.

QUICK

"I want in live in America, everything is free in America, guest lists are thick in America, ropes open quick in America. You can have anything you want, they will make you a celebutante!!!", so sings a Berlin refuge, Kim, who was brought here from East Germany by Red Zone. He is now the toast of NY. Good bye wall, hello mall!!

MAGIC

Everyones favorite sourcerer of scintillating soirees, Rudolf, is back to his old tricks again. He's got his eye on yet one more venture. One part Area, one part Danceteria, two parts magic and a sprinkle of Mars dust is all it takes to make 157 Hudson into a new potion of motion.

NETWORKING

Fred Rothbell-Mista writes about himself for a magazine under an assumed name. How tricky, but perfectly acceptable, sez Project X. That name, as we have assumed is Rocco Primavera. This shady character and his "New Jersey Nightingales" have been talking to Fox Network about putting his show, "Viva Las Vegas", on the air. Now you know where a nightclub act goes when it has bored its audience. It's out of one Limelight into the other for Fred.
